An amendment after final slip (27 day slip) was attached to this application in error. The after final amendment was received in the Office on 9/3/02, forwarded to Examiner (me) on 9/9/02, and an Advisory Action was sent out on 9/18/02. Papers pending received in the Office on 11/4/02 are a Notice of Appeal and a Petition for an Extension of time. No action is required from Examiner at this time. Please update your info list for after final amendments to reflect this correction so as to avoid confusion.

Thanks,
Gail
